

Sports Funding

In April 2013, the government announced funding of £150 million for Physical Education and sport. This funding should be used to improve the quality and breadth of PE and sports provision. All primary schools will receive part of this funding and are free to determine how best to use it.

What we want to do?

- At Bussage we want to improve the quality and time spent on delivering PE to children, including after school clubs.
- Increase participation so that more children do a variety of sports, including competitive sports in and outside of school.
- Improve the confidence and skills of teaching staff to plan, prepare and teach PE lessons.

What we have done so far?

- CPD for all staff on Gymnastics
- 10 weeks of high quality Gymnastics for every year in the school.
- Set up after school clubs aimed at KS1.
- Two sports weeks where whole school was involved in activities on and off site throughout the week over two years.
- Pin point children in Years 5/6 that can't swim 25m and given them swimming opportunities.
- CPD for all staff in REAL PE.
- Sports coach employed once a week to enhance the children's skills in specific areas of PE in KS1 and KS2.
- Ninja tots coach employed to give KS1 children and introduction to a variety of martial arts.
- Sports coach employed to teach tennis lessons for all abilities.

What we want to do in the future.

- Buy more equipment for cricket, dance, golf and multi skills for KS1.
- Arrange a Dance teacher to do CPD for staff and a lesson for children.
- Improve the Outdoor Education by arranging orienteering lessons to include KS1 and KS2.
- Teachers to shadow the sports coach during lessons to watch and observe outstanding PE and games lessons.
