Dear Friend or Colleague,

Please find attached our DRAFT FOR CONSULTATION **Admissions Policy for year 2021-22.**

We are consulting on this policy this year because:

- We want to ensure we have a clearer record internally of when we publicly consult on this policy. This is by means of showing on the new front page when the policy was last consulted upon. This is an administrative point only.
- We are proposing a number of substantive amendments to our policy which could affect which children would be admitted to the school in the future.

The substantive amendments which we wish to draw to your attention are:

In the interests of transparency

- Clearer definition of Governors and quorum for deciding admissions. (p.2, Delegated Authority)
- Insertion of option for parents to request access to school records of the admissions processes. (p.2, Delegated Authority and top of p.4, Priorities for Admitting Children)

In the interests of staff wellbeing and staff retention

- Insertion of a new priority criterion giving some precedence to children of members of staff. (p.3, Priorities for Admitting Children, criterion 5)

In the interests of fairness

- Amendment of the criterion relating to worshipping families to state "at least one of whose parents" where the previous stated "whose parents". (p.3, Priorities for Admitting Children, criteria 4 and 7).

Other amendments made are non-substantive and for clarification.

We wish our consultation process to be as broad and as open as possible. We welcome comments on all aspects of this policy and not just the changes itemised above. We promise to review each and every comment that we receive during the consultation period and to carefully consider whether or not to amend our policy in light of these. However, we cannot guarantee to amend our proposed policy in response to any specific comment received.

Comments must be in writing and should be sent to the Clerk to Governors either by email to clerk@bussage.gloucs.sch.uk or by letter to the Clerk to Governors c/o the school address. To be considered, comments must be received not later than the deadline for the consultation to close which will be published on the home page of the school web-site for the duration of the consultation period.

Yours sincerely,

Richard Bedford
Chair of Governors

INTRODUCTION

The Governors acknowledge that seeking admission to a Primary school is an important step for every parent and that choosing a Primary school for a young child is an especially sensitive duty for parents and crucial for the child. This Admissions Policy seeks to maintain the distinctive nature of the Church of England foundation of the School, and the legal limit(s) on infant class sizes set by the Government, whilst meeting parents' preferences as far as possible. In drawing up this document the Governors have sought to prepare the criteria to determine which children might be admitted to the School if there are more applications for the places which are available.

This document is presented to enquiring parents as a clear, fair and objective Admissions Policy, which is compatible with admissions and equal opportunities legislation. Further it enshrines both the regard of the Diocesan Board of Education, as well as that of the Local Authority to provide equality, and as far as possible to be inclusive of all elements in the School's local community.

DELEGATED AUTHORITY

Should it be necessary to apply the priorities set out in this policy (oversubscription), admissions will be decided by a Committee of 4 governors: 3 foundation and 1 parent governor (a minimum of 3 of these being in attendance to be sufficient for the Committee to be quorate). Records of the process and outcomes will be kept, reported to the Full Governing Body and made available to parents on request. Neither the Chair of Governors nor the Headteacher may sit on this committee, and the members are to be nominated by a meeting of the Full Governing Body.

YEAR GROUP SIZES

The school's Published Admissions Number (PAN) is 30.

PRIORITIES FOR ADMITTING CHILDREN

The Governors will admit children to the school in the following order of priority.

Important: Any child with SEN and who has a statement of SEN or an EHC Plan which names our specific school must and will be admitted. Any child with SEN but without a statement or EHC Plan will be treated as all other children applying (i.e. according to the following criteria).

1. Looked after Children and all children previously looked after, but who ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). See the current Schools Admissions Code for further detailed definitions if necessary.
2. Children who will have an older brother or sister (sibling) attending Bussage School, and will continue to do so on the date that the younger child's admission would take effect. Sibling refers to a brother or sister, half-brother or half-sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.
3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and this school.
4. Children of families living in the ecclesiastical Parish of Bussage with Eastcombe (a map of the parish may be inspected at the school) at least one of whose parents are regular worshipping members of the Church congregations in the Parish*. (Regular meaning at least once a month).
5. Children of full or part time permanent salaried members of staff who are employed or about to start at Bussage Church of England (Aided) Primary School.
6. Children of families living in the ecclesiastical Parish of Bussage with Eastcombe, having the strongest geographical claim, (measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system), with those living closer to the school receiving the higher priority.
7. Children of families at least one of whose parents are regular worshipping members of the Church congregation in the Parish of Bussage with Eastcombe or at least one of whose parents are regular worshipping members of other Christian Churches being a member of Churches Together in England*. (Regular meaning at least once a month).
8. Remaining places are offered on the basis of those living closest to the School.

*Applications under Criteria 4 or 7 must be supported by a letter from an appropriate member of the clergy from the place the parent(s) worship.

Where any particular category results in oversubscription, the children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority) will be prioritised.

In the event of a tie between two or more children when applying criterion 8, (children with the strongest geographical claim, measured in a straight line from the Ordnance Survey point of the child's home address (including flats) to the Ordnance Survey point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.)

Where there are not enough places available to offer all children having an equal claim to a place at the school, a process of random allocation will be operated and supervised by the Governing Body. The randomisation methodology / process used in such an eventuality will be documented and this information made available to parents on request.

WAITING LIST

If the school is oversubscribed, a waiting list will be held (at least) until the end of the December term. Children will be ranked in the same order as the priorities stated above (Priorities for Admitting Children).

FAIR ACCESS PROTOCOL (In-Year Admissions)

The school has signed up to the In-Year Fair Access Protocols set out by the Local Authority. Should a vulnerable child within these protocols require a place at the school, they will take precedence over any child on the waiting list. The Protocol can be found here: <https://www.gloucestershire.gov.uk/education-and-learning/school-admissions-scheme-criteria-and-protocol/school-admission-protocols/>

IN YEAR ADMISSIONS

The school may admit pupils "in year" depending on its subscription level for the year group being applied for and the criteria set out in this policy. For in-year applications only, the parent should apply directly to the school in the first instance.

ADMISSION OF SUMMER BORN CHILDREN FOR RECEPTION ENTRY

The Governors acknowledge the updated advice from the Department of Education that parents/carers of "summer born" children (born between 1 April and 31 August) may request that their children start the Reception Class a whole academic year later. Bussage Primary School will follow the Local Authority process which states that parents can only apply for a Reception place at a school on a single occasion. An application for a deferred entry must be made during the Normal Admission Round for the child's chronological year group stating the reasons for requesting deferred entry to the following year. The Governing Body will decide whether the deferred entry can be approved for the school on a case by case basis.

For the avoidance of doubt, the term "Normal Admission Round" refers to all applications to the main year of entry to the school – i.e. Reception. Applications made during the Normal Admission Round will be made in advance of the academic year in which the child is due to start at the school. All children are entitled to a full time place; however, they may attend on a part-time basis until later in the school year but not beyond the point at which they reach compulsory schoolage.

Further information can be obtained from the GCC Guidance Booklet on admissions.

This booklet and the form to request a deferred entry can be downloaded from the following link: - <http://www.gloucestershire.gov.uk/startingprimary>

TRANSPORT

School transport is not available.

OTHER CONSIDERATIONS

The Governors wish to make it plain that no other considerations - e.g. academic ability, parents declining to sign a home-school agreement, etc - will be used when deciding an application for admission.

NOTIFICATION OF ADMISSIONS

The Governors will offer places, in consultation with the LA, in line with coordinated admissions arrangements. A decision on an application for admission will be notified in writing, normally in April of the year concerned, Notification will happen as soon as possible for those who apply for admission at any other times during the Academic Year.

APPEALS

Parents who wish to place their children in Bussage Primary School, but who are refused under this policy, have the right of appeal under Section 411 of the Education Act 1996. Appeals will be heard by an independent panel not associated with the School and organised on behalf of the Governing Body by the County Council Legal Services. If an appeal is necessary, those who wish to pursue this process are reminded of the importance of the time-table associated with the appeal procedure.

Any intention to appeal is lodged initially by writing to the school.

More information on the appeals process can be found at:
