22<sup>nd</sup> January 2021

Dear Parents,

It was lovely seeing so many of the children logged into the assembly. Despite my technical issues we got there in the end and hopefully going forward this can continue to develop. What was really pleasing was to hear about the fantastic work the children have been involved in and the high levels of participation in the Remote Learning.

I am immensely grateful to so many people for this! The teaching assistants are working incredibly hard supporting the Key Worker children in school and thus releasing the teachers to engage in Remote Learning. The amount of work the teachers are putting into this is amazing and I am really inspired by their resilience, dedication and skill in making this work. This is helped by the fantastic levels of participation, cooperation and support from you at home which continues to be appreciated by us all.

I am also grateful to all of the support staff who continue to step up in these difficult and challenging times to aid the smooth running of the school.

This period of education is very different to last March. Many pupils are actively accessing our Remote Learning offer every day and making good progress as a result. If parents choose not to participate this time, I fear that their child will fall far behind those who are joining in regularly. I have a number of devices and laptops which could be loaned out so please, if a lack of a device is holding you back, let me know.

On the subject of laptops I am immensely grateful to the Charity of the Ancient Parish of Bisley for donating a number of brand new laptops to support home learning. Their generosity means we can support even more of you.

I hope whatever you are doing this weekend, you can try and relax and stay safe.

Kind regards

A Ferguson

Head Teacher
