Dear Parents,

As we move towards the summer and hopefully warmer weather, I know many parents have been wondering how long the current arrangements in school are due to be in place. As things stand, schools have been given no guidance of any changes in operation from **21st June**.

Parents will be wondering about Sports Day arrangements for example. I would ask all parents to watch this space and once I have a clearer view of what school guidance is like after 21st June I will share it with you. My advice would be to very lightly pencil the date in your diary but accept that we may have to run the day differently and parents may not be able to spectate as they would normally.

Well-being Week

Miss Sullivan is sending out a separate letter today all about our exciting well-being week. Please note that we have now included Sports Day in that week so please disregard previous dates given. We have a brilliant week planned. Some of it we can tell you about, some of it will be a surprise. We have looked to fund many of these activities from our depleted school budget, we are however asking parents to make a voluntary contribution of £10 to help us put on the best possible week.

Free Bike Marking

On **Thursday 3rd June** between **10am and 2pm** Stroud Neighbourhood Policing Team will be offering FREE bike marking at **Chalford Sports and Social Club**. They will be using the bike register kit, for more details on this go to www.bikeregister.com.

Refreshments will be available to purchase on the day from Chalford Sports and Social Club and Cotswold Ice Cream Company.

Year 6 Campout

I want to say a huge thank you to those Year 6 parents who have volunteered to do some Night Watch Duty during our Y6 Campout in June. I shall be taking you all up on your very kind offer of support and will be in touch after half time about times and days.

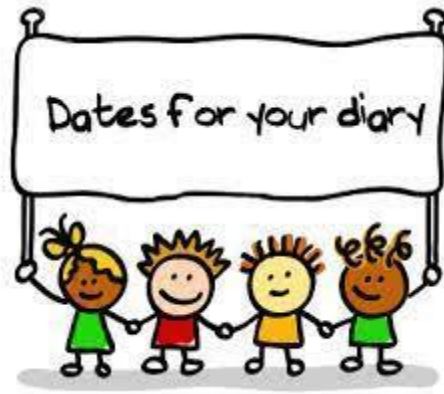

Finally

I hope you all have an enjoyable Bank Holiday weekend and I look forward to welcoming everyone back to school on Monday 7th June.

Kind regards

A Ferguson
